AVA/Gateway Milers and Scouts Walk Together

Earn a Ramble with the Raptors patch by participating in our Scouts Walk Together Event at the World Bird Sanctuary in Valley Park, MO. Hike the nature trails as a scavenger hunt, have a chat with the “keepers,” meet Zelda (above) and all the other birds that call the sanctuary “home.” You will see Bald Eagles, Red-Tailed Hawks, Peregrine Falcons, Eurasian Eagle Owls, Great-Horned Owls, Barred Owls, White Pelicans and Sand Hill Cranes. The start time is from 9-11am. Please allow at least two hours to hike and view all the animals. We do ask each participant to bring one item from the World Bird Sanctuary wish list as a service project. Let’s help Zelda and her friends have a safe place to live.

Event will be held rain or shine– no refunds for no shows

All minors must have a signed waiver in order to participate. Individual scouts coming to the event on their own must be accompanied by an adult.

Cost: \$3.00 all participants (no patch)
\$5.00 (includes patch if pre-registered)
\$6.00 on event day (includes patch)
Families are welcome and encouraged

All monies, waivers and pre-registration forms must be received by Oct 26

Pre-registration packets include: minor waiver, troop and/or family/individual registration form and wish list contact:
