

Scout page information

We invite your scout or youth organization to “Walk Together” with Gateway Milers, a 501c3 not for profit club. Our mission is to promote and organize noncompetitive fitness activities that encourage lifelong fun, fitness and friendship for people of all ages and abilities. We are a member of the American Volkssport Association: AVA America’s Walking Club.

We make walking fun!

Why should you choose Gateway Milers for your next field trip? Because we do all the work for you! Many of our Youth Committee members are ex-leaders so we know what is important to you! All you do is register and enjoy the day with your group. Gateway Milers mark and check the trails for safety, we also send you a guideline so you know what to expect. Most of all, our events are affordable and family friendly. As a matter of fact, we encourage families to come along.

Our 2019-2020 season will feature:

November 2, 2019 - Ramble with the Raptors, in cooperation with the World Bird Sanctuary. This short 3-5K hike takes us through the trails at the sanctuary and spills out into the bird viewing area where you can chat with a few of the “keepers.” We ask each person to bring an item from the World Bird Sanctuary Wish list as a service project.

January 18, 2020 - Ice Carnival Soup Walk, University City, MO. This short 3-5K walk will go through the beautiful community of University City and Delmar Blvd to view the ice sculptures and live ice carving as well as ice slides and games. We ask each person to bring 2 cans of soup, one for the community pot and one for the food pantry. Upon returning to the start point, you will be rewarded with warm soup and fresh baked bread!

Patches are earned at each “Walk Together” event.

Gateway Milers has also created walks for scout service units and other youth organizations. Let us create an event just for you. A minimum of 100 walkers is required.

For more information about any of our youth events or to create one especially for your organization, please contact Deb Kruep, [debmarkkruep1@yahoo.com](mailto:debmarkkruep1@yahoo.com)
